NOVUS YOUTH ARENA MALAYSIA 2016

Challenges Of The Young Professionals

For The Built Environment : Success Never By Chance

The Success Stories & Wisdom Of The Achievers

14 - 15 October 2016 • CIDB Convention Centre

What is NOVUS YOUTH ARENA?

It is a dedicated, passionate group of young professionals who places the CIDB & CIOB at the heart of their career. The group prepares young people to be the next generation of construction industry leaders and provides a direct link from undergraduates to both the Organisations.

Objectives & Target Outcome

- To provide a natural home for undergraduates, post graduates and young professionals in construction
- To provide a platform for career and professional development with clear routes to progression
- To provide strategies for improving engagement and communication with younger members
- To create an environment that encourages innovation, flair and initiative, sharing best practices and experience
- Members are seen as innovators in creating a greener future and environment whilst embracing Construction Sustainability as a core principle and objective
- To develop the recognition of the CIDB & CIOB along with other professional institutions of the industry as accepted and recognised institutions throughout educational establishments and employers.
